

Wire Wheels - Limited Warranty

Motorspot, Inc. warrants the wheel, to the original purchaser, from the date of delivery, two years against defective material and workmanship on the hub, spokes and outer rim under normal use and 30 days for out of round. The chrome finish is covered for one year from the date of delivery for defects in workmanship and materials. Rust is not covered at all and is a maintenance issue. Wheels that may leak are covered for one year from the date of delivery. Wheels leaking due to installation errors are not covered at all. Please make certain that your installer is knowledgeable and is careful with your new wheels. Do not allow an inexperienced technician install your wheels.

This warranty extends to the original purchaser only and is not transferrable.

Prior to mounting tires on your new wheels, test-fit the wheels on your car. Make sure the wheels clear and fit your brakes drums, suspension and body. If there is any clearance or fitment problem, please call us as soon as you can.

Wheels that have been mounted with tires are not returnable irregardless of whose fault the problem is.

Should a problem occur, please call us first. Do not take any steps to remedy or repair the wheels until we have advised you on how to proceed. Motorspot, Inc. has the sole discretion as to whether or not the wheel should be replaced or repaired. Motorspot, Inc. will not be responsible for installation charges, shipping costs or incidental expenses.

Your wheels will not be covered by this warranty if any of the following things have occurred:

- Wheels subjected to abuse, damage, racing, excess load, “hopping” or “jumping”, improper installation or improper mounting of balancing weights or improper installation of the center caps or spinners.
- Damage to the finish or chrome plating due to stone chips, road hazards, lack of maintenance or excessive exposure to water or moisture. Please refer to our installation instructions for advice on how to maintain your wheels and prevent rust.
- Damage caused by the use of unapproved polishes or other agents that can harm the surface or components of the wheels.
- The wheels have been repaired, altered or modified by any person or company other than us.
- **Rust is not covered by this warranty and can be prevented by proper care. Your wheels are inspected prior to shipment and are free of any rust. Please refer to your instruction sheet for proper maintenance instructions.**

This warranty is the sole warranty and is in lieu of any other warranty, express or implied including the warranty of merchantability and fitness for a particular purpose. Motorspot, Inc. will not be liable for any other remedy including diagnosis, removal and installation labor, loss of vehicle use, vehicle damage, loss of time, inconvenience or any other incidental or consequential damages.

Never attempt to repair a flat tire with a “fix-a-flat” type product. The chemicals used in these products will attack your sealer resulting in costly repairs. Flat tires should be fixed by an authorized tire dealer. Make certain that your installer does not exceed our air pressure instructions, by doing so, your wheels could leak air if the liner is damaged. **Installing improperly sized tires, such as bias-ply 5.20’s on too wide of rims violates our warranty and leaking will not be covered.**

Return Information. We cannot accept unauthorized returns. Please call us for assistance with an order for a return authorization number. Returned parts must be unused, in original condition and in original packaging and received back by us within 30 days after shipment to be eligible for a return. No return will be accepted without a copy of the original invoice. Returned items are thoroughly inspected prior to determination of credit, replacement or refund. **There is no refund available on special order items.** A 20% restocking fee will be charged on all returns not due to our fault. **There is no refund available for shipping charges on returned merchandise.**

Claims for damage, shortage or manufacturing error must be made within 7 days from the customer’s receipt of shipment by calling (760) 731-8301 or by email to: sales@motorspot.com. Claims made after 7 days from receipt will NOT be honored by Motorspot, Inc. Claims for finish problems, damage or incorrect size or fit must be made prior to installing accessories or mounting tires.

Special order or custom built wheels are not returnable under any circumstances. Wheels built to your specifications will be warranted for defects as stated above but cannot be returned if built to your specifications.

Items damaged in shipment. When packages appear damaged when they are delivered to you, you must state this in writing to the shipping company when you sign for the packages. If damage is discovered after opening the container, please notify the carrier immediately. We provide undamaged merchandise, properly packaged to the carrier when we ship. Claims for damage must be directed to the carrier, not to Motorspot, Inc.

Important: All claimed defective returns will be reviewed by quality control personnel in a fair manner. Any defects not found to be Motorspot, Inc.’s responsibility will be rejected and returned to the sender at their expense. Defects in finish will not be covered under our warranty if the damage occurred during installation or due to improper care, use of caustic materials for cleaning or neglect.

Investigation of previously transacted items. Any investigation or copies requested by a customer that has been determined by us as already submitted will require a handling fee of \$50.00 per item.

If you should have any questions, please feel free to call us at 760-731-8303. We thank you very much for your business and we hope that you will be very satisfied with our wheels. We do our best to minimize any chance of the wheels being less than perfect. **Motorspot, Inc.**
